

Bupa exists for the benefit of our members, present and future. We are the only health insurance company that meets the highest standards in its field, dedicated exclusively to healthcare for over 65 years. This commitment has helped us become synonymous with quality healthcare and service excellence worldwide.

#### **HEALTH EXPERTS**

Since 1947 Bupa has been specializing exclusively in healthcare. And because we do not have shareholders, we constantly reinvest our profits to optimize our products and services, for the benefit of our members. This commitment to healthcare extends to our Quality Assurance Programs with providers to ensure our network of hospitals is in compliance with our high quality standards. Furthermore, we fund international studies such as the yearly Bupa Health Pulse, to identify tendencies and opinions regarding chronic conditions, aging, and wellbeing, helping us anticipate health solutions in the markets we serve.

# UNPARALLELED COVERAGE AND BENEFITS

We provide comprehensive coverage for critical, complex, and chronic conditions like cancer, renal insufficiency, and transplant needs that may seriously affect the wellbeing of our members' and their families. Bupa's higher spending limits make access to the most innovative treatments and medication easier.\* Our products include annual reinstallment of benefits limits, and coverage is not reduced by age.

\*Please refer to the Membership Guide for detailed policy conditions.

#### SERVICE EXCELLENCE

When our members need basic treatment, major surgery, or an emergency airlift via helicopter, the committed healthcare professionals on our staff are accessible 24 hours a day, 365 days a year to ensure our members receive the best medical care available. In addition to the Bupa International Patient Reception Center at Jackson Memorial Hospital in Miami, Florida, Bupa has established several medical modules in major hospitals in Mexico to provide customer service and support to policyholders, demonstrating our commitment with the region.

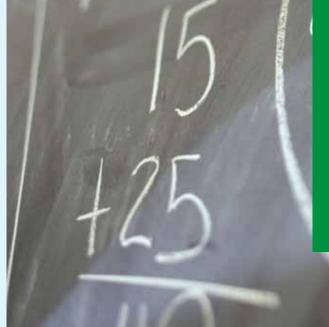

Bupa's commitment to service is evident in our customers' feedback, backed up by yearly surveys with the highest scores in likelihood to recommend.

#### FINANCIAL STRENGTH

Bupa's robust financial strength allows for sustained growth and steady operations despite worldwide economic challenges. Our prudent approach to finances allows us to keep our members interest at the heart of our operations ensuring their health and the long term sustainability of our company.

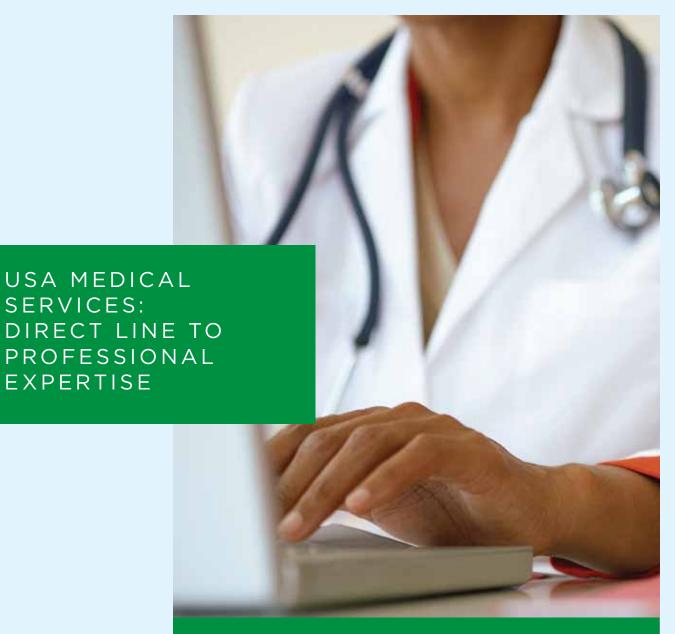

Bupa's financial reserves exceed the requirements and regulations in all the markets we serve. This practice is evident in our periodic increase of solvency margins, improving consumer protection and confidence in our products. Bupa is managed with sound corporate governance principles.

USA Medical Services provides professional support to Bupa members at the time of a medical need. Our staff works diligently to help coordinate hospitalizations and provide assistance.

In the event of a medical crisis, whether it is verifying benefits or urgent transportation by air ambulance, our healthcare professionals at USA Medical Services are a phone call away, maintaining an open communication with our members and guiding them through their medical urgency to the proper specialist or hospital.

During emergency evacuations, USA Medical Services provides advanced alert of patient arrival to the medical facility and maintains continuous communication during transport. While treatment and initial care are being provided, USA Medical Services monitors the patient's progress and reports back to the member's family and loved ones.

## BUPA'S EXPERT OPINION

Bupa proudly offers Expert Opinion, a patient-focused service that provides an independent second medical opinion to Bupa members in Latin America and the Caribbean. Expert Opinion gives members diagnosed with serious, complex, or chronic diseases access to the world's leading independent medical experts to review their case, confirm or revise diagnosis, and recommend the best steps for treatment.

Among its numerous advantages are:

- Expertise and medical opinions from the world's most relevant doctors for specific conditions without the need to travel
- Answers to critical medical questions
- A written medical report provided within a few days
- Physicians who oversee every aspect of the Expert Opinion process

The Expert Opinion global network consists of internationally renowned physicians recognized in the medical community for their ground breaking research, published work, and cases with successful outcomes. Their professional and objective recommendations give our members the confidence they seek in making a major medical decision.

# BUPA INTERNATIONAL PATIENT RECEPTION CENTER

The Bupa International Patient Reception Center at Jackson Memorial Hospital in Miami, Florida, provides international patients and their families with an individual and personalized service during their visit or stay at the hospital.
